Short presentation of your organisation (key activities, experience)	<p>The area of the Agro is particularly suited to agricultural production, thanks to the presence of water and to the peculiar quality of soils.</p> <p>The cultivation of tomato, tobacco and textile fibers has enabled the creation of a center of manufacturing enterprises linked to agricultural production, resulting in a more or less organized development of rural activities.</p> <p>In this way, it came to be in the area a real chain of the food industry, whose center is precisely the cultivation of tomato and its industrial processing into preserves and derivatives, which develops on the one hand with the presence of engineering companies and engineering for the construction of industrial and voids in tinplate canning, with the other businesses of wooden, plastic and cardboard used in the transportation of the raw material and the</p>

	<p>packaged product.</p> <p>The population living in the town of Nocera Inferiore totaled 46,540 citizens.</p>
Description of the project	
Strand, Measure in the framework of „Europe for Citizens“ Programme	Network of towns
Timetable of the project	1 March 2017
Short description of the project, including its aims	<p>the project involves the participation of 80 young unemployed. They will be made four events. The total budget is € 80,000.00. The general topic on which to base the debate is youth unemployment. We decided to split the debate on four topics related to youth unemployment, one for each event:</p> <ul style="list-style-type: none"> - To put in evidence the excellence of the territory to cope with unemployment among young people; - Exploitation of being unemployed, in times of severe economic crisis; - European Mobility (EVS- EURES) as a possible remedy for unemployment; - Closing Event: final considerations to sent to all institutions (local, national, European)
Role of the partner organisation in the project	The role of the partner will be to organise the event in the city with a budget offered by the Applicant.
